

## HAPPY TIME

Dear Parent,

12.09.17

In line with the vision of H.H Sheikh Mohammad Bin Rashid Al Maktoum, to achieve Goodness and Happiness for every individual, we are proud to introduce “Happy Time” as a subject for the students of KG1 and KG2.

It will provide nurturing environment by making children aware of the emotions of happiness and calmness, thus adding to their social skills.

Please note the following points-

1. Children have to bring a yoga mat on the first day of school which will be kept in the classroom.
2. It should be neatly labeled with child’s name and section.

Wishing all of you happiness,

Shikha Dixit  
Supervisor-Primary Block
