

## READING CHAMPION MOMS OF IBN SEENA **PRIMARY SECTION (KG1 – GR 2)**

Dear Parents,

18.9.17

Please be informed that “**Mom and Me Library**” will be operational from 28<sup>th</sup> September 2017. This Library will be open on every **Wednesday** and **Thursday** from 1:10 pm to 1:40pm. In order to become a member of the same please contact Mrs. Dulani in the Primary Block.

“**Mom and Me Library**” was started in the year 2015 for moms so that they can indulge in reading habits which eventually will add to the reading skills of their children. I invite all moms to join it and get mesmerized by the magic of books.

You will be very glad to know that for past two years we have been conducting a Reading Competition for mothers of the Primary Block children.

The Reading competition for the year 2017-18 will commence in October and the title will be

### **“Mom and My Reading Bond” 2017-18**

#### **Kindly note the rules of the competition.**

- You should be a member of “**Mom and Me Library**”.
- Everyday mothers have to read a story to the child and the title of the story should be written down in the “**Reading Record Section**” of the school diary every month.
- Class teachers will acknowledge the same and conduct a monthly assessment based on the stories read to them by the mothers.
- On the basis of the number of books read by you to your child and understood by him, a final selection will be made.
- In the month of June, finalists will be invited for an interview by the vice Principal of the school.
- Winners will be announced and their names will be published on the school website with their pictures.
- Special appreciation comments will be written on the Report Cards of children of winner moms.

I hope that this initiative of the Reading Programme will not only add to the overall personality of Moms and their children but also create a special bond-“**Mom and My Reading Bond**” between them.

Wishing you all the Best

Shikha Dixit  
Supervisor-Primary Block
